Memorial Plaques & Cremains Burial

The Waterford Union of Churches Cemetery offers residents or those with a family connection to the village, who wish to be remembered as part of Waterford's history, an opportunity to do so by means of purchasing a memorial plaque. These plaques are installed on flagstone strips in our memorial area. If required, cremains may be buried in front of a plaque.

Pricing

- Each bronze plaque measures 10" high x 16" wide. The cost is \$1,600 per plaque, which includes perpetual care, a \$480 forged bronze plaque, an entry in a memorial area on our web site, and a \$120 installation charge. Two sets of cremains may be buried at the same time at no additional charge. If second cremains are buried after the first, there is an additional \$100 fee.
- Space may be reserved at no charge; however, prices may change over time. Memorial plaque and cremains burial may be prepaid to lift any burden on the family and to lock in a price. To reserve a space by specific plaque, the full price must be paid in advance; however, it is fully refundable.
- Plaques may be removed and replaced for the cost of a new plaque plus a \$200 reinstallation fee.

Memorial Markers

- The bronze plaques are purchased and installed by the Cemetery.
- Plaques are made of forged bronze and will conform to the Cemetery's design template.
- Each plaque will occupy an 18" wide by 12" high area in a flagstone row.
- The plaque includes the deceased name, dates, and up to one hundred additional words.

Cremains Burial

- Cremains may be buried loose or in a container under the grass strip in front of a memorial plaque. Cremains containers may be of any material but may be no larger than 12" by 9" by 7".
